

## Acworth Silsby Library News & Recent Acquisitions

Our annual **Book Sale** will be held on Saturday, July 14th from 9AM to 3PM. We are accepting donations now through July 12th. Please bring your donations to the Library during our open hours. We will accept clean books in good, undamaged condition. Please, no encyclopedias or text books.

Our **Summer Reading Program** for children and young adults: Students in the FMRSD will receive information at school. Other families who are interested should talk to one of the Librarians to sign up. Every child who completes the program by handing in a list of books read will receive a new book from the Library. Each week we will have a drawing for a gift certificate to the Acworth Village Store for participants who tell us what they are reading. And we will host a program - details not yet finalized.
